

TEACHER SPOTLIGHT

MRS. BARBARA HUTSON

Mrs. Barbara Hutson was born in Troy, AL and has been teaching at CTKCS for 27 years! She is a graduate of the University of South Alabama and Spring Hill College. She teaches music to all of our students as well as Jr. High art. She leads our student choir at our school masses each week as well as organizes our Grandparent's Day Program and annual student production. The challenge of proving to students that they are able to do anything, especially when they tell her they can't draw, is what she enjoys most about teaching here at CTKCS.

Mrs. Hutson says her family is most important to her; she and her husband, Bill, have 6 children and 6 grandchildren and another grandchild on the way! Her favorite place to visit is Italy where one daughter and three of her granddaughters live. She also loves visiting her grandsons in Memphis, TN. She loves to cook and loves cooking for others who like what she cooks. She also enjoys singing with the Life Teen Band at Sunday evening Mass.

TEACHING PHILOSOPHY

I think that every person has gifts to share with the world. My job is to slowly unwrap that gift so that students can discover it. I want them to know that making mistakes can help us to learn. I love when they discover their gifts and share them with the world.
