

Dear Parents,

The annual CTKCS Grandparents and Grand Friends Day Celebration is Friday, October 21. Last year's celebration was a huge success!

All grandparents and grand friends are invited to begin the day by attending Mass at 8:00 a.m. Because seating in the church will be at a premium, we will open the gym at 7:30 to begin seating our guests and Mass will be streamed live into the gym. Communion will be available to our guests in the gym, as well.

Following Mass, we will serve coffee and light refreshments before our program begins. Once again, all of our students will be performing in the program, which begins at 9:45, and we hope to see a packed gym again this year. With this letter you will receive a postcard invitation so your child can invite their grandparents or grand friends to our celebration. There are extra copies in the office if you need another.

Please help us in the following areas:

- **If your last name begins with the letters A-P:**
Please bring in 1 dozen cookies of your choice (no nuts or peanut butter please)
- **If your last name begins with the letters Q-Z:**
Please send in a 15-pack of mini water bottles
- **Please bring your items to the gym kitchen on Thursday, October 20 in the afternoon or Friday morning by 8:30 a.m.**

Some more information for our guests:

- The gym will open at 7:30 a.m.
- Guests may arrive whenever they want but should be aware that Mass will be going on and we request quiet reverence throughout Mass both in the church and in the gym.
- Please park in the church parking lot. (The school parking lot will close at 8:30 a.m. but will re-open for car-line dismissal later that morning.
- School will be dismissed at 12:00 p.m.
- Students must be signed out of the classrooms for dismissal.

If you are interested in helping to set up and serve refreshments, or to help keep the children in order before they go on stage for the program, please call me at the number below.

Thank you in advance for your help and cooperation in making this event so special for all of our children and their guests!
