

TEACHER SPOTLIGHT

MRS. HANNEN MANNING

Mrs. Hannen Manning is our new 4B teacher and is an alum of CTKCS. She earned her BS from the University of Alabama Birmingham and MS in Education from the University of South Alabama.

Mrs. Manning and her husband are expecting their first child in February...how exciting! She does have a Black-Mouth Cur named Rhonda.

She can see CTKCS has a beautiful culture. Hannen says, "Students are respectful and enjoy the challenge of learning new concepts. Parents are enthusiastic about their child's education. Fellow teachers are excited about their jobs and have been so welcoming and helpful, and Administration guides the campus with the Holy Spirit." What a wonderful tribute to our school.

Mrs. Manning enjoys spending time with her family, reading, live music, and has been enjoying settling into her new home.
