2. Do not throw bomb bags at other children's heads or you will be asked to leave.
3. Please do not drop off unattended children at the Pumpkin Festival.
4. Please pick up after yourself and your children. If everyone does this, there will be little to no cleanup of trash at the end of the festival.

These ensure everyone is safe and can have a great time at the festival.

We look forward to seeing everyone Sunday, October 23rd from noon-4pm.
