

PTO Minutes

March 7, 2017

Members Present: Anna Pavao, Ginger Barranco, Maggie Larche, Ann Hartwell, Max Crain, Alisa Andrews, Anna Tillman, Courtney Silvernail, Sharon Lynn

Prayer and Mission Statement: Prayer & Mission Statement Read.

Meeting called to order.

Minutes: Approved.

Executive Board Report:

- Treasurer's Report: Current Balance \$30,311
 - Committed funds estimate: \$2,639
 - Remaining funds estimate: \$27,672

OLD BUSINESS:

- **King Supper Recap:** The development office will be taking control of the King Supper for next year.
- **Cowles Family:** The mass for Rusty Cowles has been scheduled it will be on the school google calendar for April 12.
- **Lenton Devotionals:** Next year order 350-365 they need to go to the preschool as well.

NEW BUSINESS:

CTK Grill: It has been proposed that we go in with other school and church organizations to purchase a grill to be kept on site. Each organization would contribute around \$450-\$500 each.

New Spring Fundraiser: We are looking at May 4th since Field Day is May 5th. We thought about a gathering, pot luck or bingo. We will talk with Max and discuss further at our next meeting.

Potential New Officers: We will need to replace the Fundraising Liaison, Committee Liaison, Treasurer and playground chair for the 2017-2018 school year. Sharon will stay on as Carpool Duty Chair. This needs to go out to the parents with the Eblast.

Report Card Conferences: There will not be any conferences this time.

School Supply Kits: We discussed the opportunity to allow the sale of the kits. There would not be a profit. We would also have to find someone to organize and deliver the kits. Courtney will talk with Max.

Computer Needs at CTK: It has been brought to our attention that the teachers have older outdated computers as well as the resource center. We are asking for more information on the status. We need a plan on how to bring them up to date or replaced in order to better teach in the classroom. The resource center has vocalized their concerns that the time it takes for their computers to run does not allow students to accomplish enough while with them.
