

Christ the King Catholic School
Homework Help

Homework Help is a free service offered to students in 1-8th grades on designated Monday and Thursday afternoons from 3:15-3:50, in the school library under the supervision of teacher volunteers. Students who participate are partnered with a CKCS Peer Helper or teacher, and complete homework assignments, study for test or read. Students should be picked up by 3:50. Anyone who is not picked up will go to aftercare and may be picked up there.

If you would like your student to attend Homework Help, please let me know what day(s) they plan to stay, sign and return the permission slip below.

Dates for Homework Help will be on the school calendar and are subject to change depending on the number of volunteers. These are the dates Homework Help is currently scheduled:
